Experience

- Poster Designs: Created numerous posters inspired by films, shows, music, and video games using Adobe Photoshop's various effects and techniques.
- Brand Style Guides: Developed original brand style guides, including an energy drink style guide, apparel and magazine, tech business, and more using Adobe Photoshop and Illustrator.
- Logo Designs: Designed logos for my brand style guides, DHL Landscape Maintenance LLC, Fair Game, and my personal brand identity.
- Concept Art: Illustrated original characters, weapons, and environments using IbisPaint X for multiple creative projects.
- Vector Illustration: Produced vector illustrations such as freehand drawings, vehicle designs, custom patterns, and more for various projects, utilizing Adobe Illustrator.
